

**REMARKS**

Claims 1-13 and 15-23 are pending. By this Amendment, claims 1-4, 6-9 and 13 are amended. Claims 21-23 are added. No new matter has been added.

Amendments to claims 1-4, 6-9 and 13 clarify the recited subject matter. Support for the amendments and new claims are found throughout the specification, drawing figures, and claims as filed. But specifically, support is found in Drawing Figure 1, and at page 5, line 2 through page 6, line 7 of the specification.

Applicant thanks Examiner Zhou for the courtesies extended to Applicant's representative during the February 22, 2006 telephone interview. The substance of the interview and the agreements reached are incorporated into this reply and constitute the Applicant's record of the interview.

It was agreed during the interview that the amendment to claim 1 define over the applied art of record and amendment to claims 7 and 13 would be favorably considered. For the following reasons, reconsideration is respectfully requested.

**I. REPLY TO REJECTIONS**

On page 2, item 3 of the Office Action, claims 1-13 and 15-20 are rejected under 35 U.S.C. § 103(a) over Vazquez et al., "Supporting Flexible Assembly Through Human Factors" (hereinafter "Vazquez") in view of U.S. Patent No. 6,829,779 to Perlman (hereinafter "Perlman").

It was agreed during the telephone interview that none of Vazquez, Perlman, or their combination disclose or suggest a method for displaying a user's manual for a video apparatus, the method comprising successively selecting and graphically marking sections of the plurality of terminals of the video apparatus in an initial predetermined display order, as recited in claim 1.

Additionally, based on the telephone interview, it is respectfully submitted that none of Vazquez, Perlman, or their combination disclose or suggest a method for displaying a video, the method comprising successively selecting and graphically highlighting the images of predetermined portions of the video apparatus, as recited in claim 7.

Additionally, based on the telephone interview, it is respectfully submitted that none of Vazquez, Perlman, or their combination disclose or suggest an apparatus for displaying a manual of a video apparatus, wherein said manual display unit is adapted to successively and graphically highlight images of predetermined portions of the video apparatus, as recited in claim 13.

Consequently, for at least the above reasons, claims 1, 7 and 13, are patentable over the applied references. Claims 2-6, which depend from claim 1, claims 8-12, which depend from claim 13, and claims 15-18, which depend from claim 13, are patentable over the applied references to Vazquez, in view of Perlman, for at least the reasons discussed above and for the additional features they recite. Withdrawal of the rejection is respectfully requested.

## II. NEW CLAIMS

New claims 21-23 are patentable over the applied references. Prompt consideration and allowance are respectfully requested.

## III. CONCLUSION

In view of the foregoing amendments and remarks, it is respectfully submitted that the application is in condition for allowance. Favorable consideration and prompt allowance are earnestly solicited. If the Examiner believes that any additional changes would place the application in better condition for allowance, the Examiner is invited to contact the undersigned attorney, Seth S. Kim, at the telephone number listed below.
